Hospice and Palliative Care...

*We Listen, We Care.*

This year’s theme for National Hospice and Palliative Care month is...We Listen, We Care. A strong reminder of the importance hospice and palliative care providers place upon the wishes and priorities of those they serve. And this is seen in all that we do.

Whether we’re reaching out to the community, educating other healthcare professionals, or telling elected officials why quality end-of-life care is important, it’s the way we honor the patients and families we serve that sets us apart.

If you or your loved one needs hospice home care, remember to ask for us by name: **Hospice of Limestone County; “Hometown Folks Taking Care of Hometown People”.**

**REMEMBRANCE AND HOPE**

Hospice of Limestone County and M.A.D.D. invite anyone who has suffered a loss of a loved one to the annual “Celebration of Remembrance and Hope Service”. Tuesday, Nov. 8<sup>th</sup> 2011, at 6:00 p.m.

First United Methodist Church in Garth Chapel  
208 Hobbs Street/Athens  
(If you would like, please bring a photo of your loved one in a stand up frame).

**Ten Things You May Not Know About Hospice**

Most Americans have heard about hospice care. They know that hospices care for people at the end of life. Most people know a family or friend who was helped by hospice when faced with the serious illness and death of a loved one. But there's so much more to know.

For example, did you know that hospice provides what the majority of Americans say they want at the end of life? Excellent pain management, comfort, and support for the patient and family caregivers.

Ten more things you should know about hospice:

1. Hospice is not a place but a **special kind of care**.
2. A hospice care team is made up of doctors, nurses, social workers, counselors, spiritual care providers, trained volunteers and other skilled professionals who provide high-quality, **compassionate care**.
3. Hospice care is available to people of **all ages** with **any kind** of life-limiting illness, including cancer, advanced Alzheimer's disease, heart disease, lung disease, kidney disease, HIV/AIDS and other life-limiting illnesses.
4. Hospice care is **fully covered** by Medicare, Medicaid, and most private insurance plans and HMOs.
5. Hospice provides **all** medications and medical equipment (related to the terminal disease) needed to keep a person safe and comfortable.
6. There's **no limit** to the amount of hospice care a person can receive; it's available as long as a doctor believes a patient is eligible.
7. Most care is provided **at home** but hospice is also available in nursing homes, assisted living and long term care facilities and hospice inpatient units.
8. Hospice care can include complementary therapies, such as music and art, to bring **additional comfort** to patients and families.
9. Hospice programs offer **grief support** to the families they care for as well as to others in the community who are grieving.
10. More than 1.5 million people receive care every year.

One of the most common sentiments shared by families who have been helped by hospice care is, **"We wish we had known about hospice sooner."**

To find out if hospice might be right for you or your family, or to learn more, contact Hospice of Limestone County, or visiting Caring Connections at [www.caringinfo.org](http://www.caringinfo.org) or call the HelpLine at 1-800-658-8898.

**It's that time of year when our office begins gearing up for Chili Challenge & Silent Auction 2012! This year's fundraiser is already in the works and the below letter is for your information. We do hope that you will join us. It is one of our area's most fun attractions to attend. Come be a part of the "hot" fun!**

If you wish to be taken off of our "e-newsletter", please reply with remove and we will promptly remove your address. -Thank you

Hospice of Limestone County's 24<sup>th</sup> annual Chili Challenge and Silent Auction will be here before we know it! This is Hospice's primary fundraiser and has proven to contribute immensely to the success of our organization. The funds raised at this event enable Hospice to provide support services for terminally ill patients and their families in Limestone County. Without these funds many of the programs such as Camp Hope (for children of deceased parents) or our respite services for hospice patients' families would not be possible to our community.

This letter is to inform you that a great opportunity exists for you, who through personal interests or corporate connections can become a sponsor for Hospice's Chili Challenge 2012 coming in February.

Each sponsor will be recognized publicly in the local newspaper and on a printed banner at the Chili Challenge Event for his or her donation. Sponsorships are categorized as the following:

- Contributor - Under \$50.00
- Friend - \$50 - \$99
- Patron - \$100-\$199
- Sponsor - \$200-\$500
- Primary Sponsor - \$500+

**Previous years' sponsors have included:**  
 Pepper, Johnstone & Co., Mike Butler of Valley Motors, Woodroof & Woodroof, Spry Funeral of Home of Athens, Grisham Fast Foods, Dr. Robert Sandlin, Limestone Drug, Mr. & Mrs. Fred Martin, AAA/A-1 Mini Storage, Morrell Engineering, Sally J. Marks, Naomi Dubois, Jerry Daly Landscaping, Mary Beddingfield, Sue H. Hobbs & Jill & Bernard Garfinkel...Thank you for your support!

If Hospice can count on you, please respond to this letter no later than Tuesday, February 8, 2012 to Hospice of Limestone County (by Mail) P.O. Box 626 or (office) 405 S. Marion Street, Athens, AL 35612, marked Chili Challenge & Silent Auction 2012.

Those that are served by Hospice and their extended families appreciate your generosity and commitment. The success of Chili Challenge 2012 can only be met by everyone's willingness to participate in such an important endeavor.

Sincerely,

**MEMORIAL PRAYER**

*Source of Life, Spirit of  
Compassion, we give  
thanks, from the fullness  
of our hearts for the life  
that we remember in this  
gathering.*

*Let the meaning of her  
life live on in us.*

*May the light that she  
has given us shine on in  
our own lives and hearts  
and memories.*

*Help us to find the  
courage and the faith we  
need each day to carry on.  
Open a way of hope  
before us.*

*Mend our hearts and  
teach us to be comforters  
of one another.*

*By Deborah Cooper*

***Year after year we are reminded of how  
blessed we are for the many remembrances,  
contributions and support that we receive  
from this community and beyond.***

***We truly are grateful and are here for you all.***

***We extend our sincerest thank you  
and wish for you a safe, healthy and happy  
2012.***
